Notes:

1. The Instructional Technology Certification courses (e.g., MEDT 7461, MEDT 7468, MEDT 7476, and MEDT 7490) are required courses for Instructional Technology Certification through the Georgia Professional Standards Commission (GaPSC) but can be taken as electives for non-certification students
2. Subscription to Tk20 required (or other program assessment database as directed)
3. Students must pass the GACE Content Assessments for IT if they seek certification.
4. Renewable Professional certificate upon admission required for eligibility for Instructional Technology certification and Online Teaching Endorsement.
5. The Online Teaching Endorsement and the Online Teaching Certificate are two program options that require the same courses but are tailored to two distinct audiences. The endorsement is designed for students who hold a current clear, renewable teaching certificate at level 4 or higher, in accordance

with the requirements of the Georgia Professional Standards Commission. The certificate is designed for students working in non-K-12 environments (i.e., higher education, industry, military) who wish to improve their online design and facilitation competencies.

6. The Online Teaching Endorsement and the Online Teaching Certificate courses include prerequisite and corequisite requirements. MEDT 7491 is usually not offered in summers.
7. The courses MEDT 7476 and MEDT 7491 are not offered in summer semesters.
8. To graduate, students must hold a minimum of a "B" average (i.e., 3.0).
