

Pre-Award **PRO TIPS**

from the Office of Research and Sponsored Projects

March 7, 2017

Vol.1, No. 13

How can the ORSP Support Me?

Our office exists to support faculty and staff with external funding for research, scholarship and creative activities. We can assist in finding relevant grants; help compile all necessary application materials; submit the grant proposal to the funder; ensure awarded funds are administered according to regulations; and assist with compliance (technical, legal, financial and ethical) throughout the grant cycle.

Over the next weeks, we will discuss who in our office can assist you with funding opportunities, proposal development, compliance, award management, and award closeout.

Below is a brief overview of our office personnel:

 [Charla Campbell, MPA, CRA: Assistant Director of ORSP, Compliance Officer](#)

 [Darlene McDaniel, MBA, CRA: Award Management Services Specialist](#)

 [Ashley Miller, MS: Pre-Award Coordinator](#)

 [Julie Hawk, PhD: Grant Writing Consultant](#)

 [Amber Kelley, BA: Departmental Associate](#)

In the coming weeks, we will explain what each of these people do, and how they work to serve you during the grant acquisition and management processes.
