

# How to Approach MGC Membership

## Research each organization

Look up EACH organization's mission, goal, motto, and programs to determine which one speaks to you.

## Meet the members on campus

Attend events such as "Get the Scoop on FSL", MGC Showcase, individual organization programs, and community service opportunities.

"I am interested in your organization. I would like to know the next steps towards membership."

## Know the Requirements

- UWG GPA Requirement: 2.0 Adjusted GPA
- Full time UWG Student (Organizations may require a higher GPA)

## Express Your Interest

Try to approach a member face-to-face in a discreet manner to discuss membership opportunities. Make it a conversation in a private setting.

## Continue to engage the organization

Speak to the members, attend their events, and continue to stay involved in what they are doing.

## Look Out for Interest Meeting/Rush Invitations

You will want to go to these if you are interested in being a member. Follow the guidelines for the meeting and learn as much as possible about the organization.
