

The end of the semester is fast approaching, and we know you may be wondering what to do if you have library materials checked out. Let us help with that!

First things first, we are not assessing overdue fines from March 15 – August 20, so please do not worry about due dates!

### **For Graduating Students**

If you are graduating, you would probably like to return any books you have checked out. Luckily, we have 2 book drops available 24/7, so you can use them whenever you get a chance. Their locations are:

Front of library – to the immediate left of the sliding front doors

Back of the library – Around the building closest to the Starbucks entrance, just go up the stairs

### **For Returning Students (Summer and/or Fall)**

You do not need to do anything. You can keep your books through August 20 without worry!

Questions? Please use our chat service at Library Help Live 24/7 -

<https://www.westga.edu/library/>

### **For Faculty & Staff**

You can also keep your items or even request a renewal for the 2020-2021 school year. Either way, we will be accommodating for the situation.
