Continue adding courses by selecting the green ‘Search Again’ button and adding courses to your plan.

**SAVE YOUR PLAN:** Don’t forget to save your plan by clicking the ‘Save Plan’ button at the bottom of the screen. You will receive a popup to name your Plan. Example: Spring 2021, Afternoon Only Plan, Last Semester!

**NOTE:** Errors such as time conflicts, pre-requisites, and closed classes are not checked during planning. These will be checked upon registration. Please review this information for each course as you add it to your plan to ensure your eligibility for registration and prevent errors during the registration process.

### View Course Schedule Plans

Once you have created your plans, you can view them at any time. From the Registration screen, click Plan Ahead and select a term and continue. Your plans will then appear. To edit, simply click on the edit button and begin searching for courses. To view details for each course, you can select the course title to view course description, fees, prerequisites, etc.

Looking for classes? In this section you can browse classes you find interesting.

#### [View Registration Information](#)

View your past schedules and your ungraded classes.

#### [Browse Course Catalog](#)

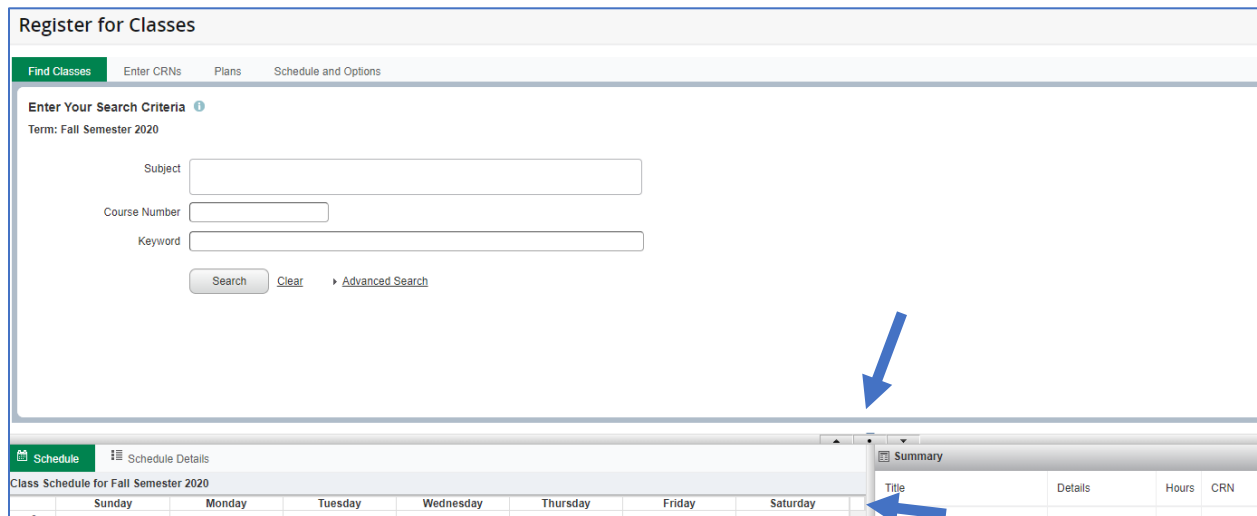

Look up basic course information like subject, course and description.

The registration screen has three sections: Search, Class Schedule in Calendar View, and Class Schedule Summary. You can enlarge sections, by clicking on the small arrows between each section.

If you only see one section such as the Search Criteria box, click on the middle dot between the arrows at the bottom of the page to bring up the other two sections. You may also click on the Panels button in the lower left.

You may need to use the arrows to enlarge each section as you use it or use the scroll bars to view all information.

### Adding Classes

Build your schedule by choosing courses using one of the three methods in the top panel, adding them to your summary panel and clicking submit. Options include the following: Search courses under Find Classes Tab, Enter CRNs, or **from your preferred plan under the Schedule and Options Tab.**

### Dropping Classes

During the add/drop period, you may drop courses without penalty. To drop a course, select the 'Register for Classes' link, and Select your Term. In the summary box in the lower right, you will see your schedule. Simply choose the action you wish to take. \*\*\*If the drop/add period has ended, the DROP via WEB option will not be available. Please review the next section titled, "Withdrawing from Classes."

## Print, Email, & Download Schedule to Calendar

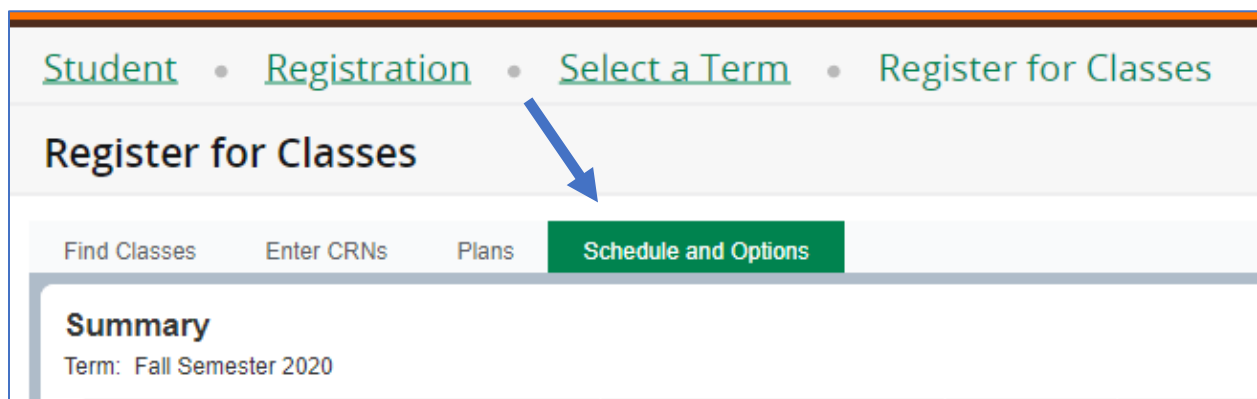

Under the registration Link, Click on the Schedule and Options Tab to print or email your schedule.

The screenshot shows the 'Registration' page with a header 'Registration' and a sub-header 'What would you like to do?'. Below this are six options, each with an icon and a description:

- Prepare for Registration**: View registration status, update student term data, and complete pre-registration requirements.
- Register for Classes**: Search and register for your classes. You can also view and manage your schedule. (An arrow points to this link.)
- Plan Ahead**: Give yourself a head start by building plans. When you're ready to register, you'll be able to load these plans.
- Browse Classes**: Looking for classes? In this section you can browse classes you find interesting.
- View Registration Information**: View your past schedules and your ungraded classes.
- Browse Course Catalog**: Look up basic course information like subject, course and description.

Select the Term you want to view. Then click on the Schedule and Options Tab.

The screenshot shows the 'Register for Classes' page. The breadcrumb trail is 'Student • Registration • Select a Term • Register for Classes'. Below the breadcrumb is the title 'Register for Classes'. A navigation bar contains four tabs: 'Find Classes', 'Enter CRNs', 'Plans', and 'Schedule and Options' (which is highlighted in green). Below the tabs is a 'Summary' section with the text 'Term: Fall Semester 2020'. An arrow points to the 'Schedule and Options' tab.

Next, use the options to the right of your screen to print or email your schedule. The first icon will allow you to email your schedule or download it to your calendar. The second icon will allow you to print your schedule.

This screenshot is identical to the previous one, showing the 'Register for Classes' page with the 'Schedule and Options' tab selected. An arrow points to the right side of the page, where there are two icons: a printer icon and a document icon with a checkmark, representing print and email/download options.

## View Registration Information

View Current Term Schedule & Prior Term Schedules.

The screenshot shows a registration interface with a header 'Registration' and a sub-header 'What would you like to do?'. Below this are six options arranged in a 3x2 grid:

- Prepare for Registration**: View registration status, update student term data, and complete pre-registration requirements.
- Register for Classes**: Search and register for your classes. You can also view and manage your schedule.
- Plan Ahead**: Give yourself a head start by building plans. When you're ready to register, you'll be able to load these plans.
- Browse Classes**: Looking for classes? In this section you can browse classes you find interesting.
- View Registration Information**: View your past schedules and your ungraded classes. (A blue arrow points to this link.)
- Browse Course Catalog**: Look up basic course information like subject, course and description.

There are two tabs under the View Registration Information link: Look up a Schedule and Active Registrations. The Look up a schedule tab allows you to view prior term and current term schedules. The Active Registrations tab shows all courses that you have not yet received a final grade in. \*\*\*Please note that you may see your grades in CourseDen before your grades are finalized in this view.

## Browse Classes
